

# THE LANGUAGE EXCHANGE

## Advanced English Lesson

Duration: 1 hour

The Advanced English course is for students with considerable experience of learning English, who wish to improve their conversational ability and widen their vocabulary.

Lessons will include a variety of exercises to build confidence in different situations, both professional and personal, as well as an insight into customs and practices.

Some subjects which have previously been covered include (although the teacher has complete discretion to determine the lesson structure and content and will advise this during lessons):-

- (a) Arranging a meeting with a client
- (b) Being the chairperson of a meeting
- (c) Describing an experience to a friend
- (d) Making a speech in public

If you would like to learn something specific, please advise the teacher, and they will make an effort to adapt the lesson or future lessons to your requirements.
